

The Portage District Library's Favorite Authors Club is meant to place you on reserve lists fast. Simply indicate your choice of up to 15 authors from the list. We will do the work by putting titles by those authors on hold for you automatically. Sit back and wait for the email to arrive. This program only covers first run fiction hardbacks and original fiction paperbacks by the authors listed on this form.

Although we cannot guarantee that you will always be first, we can guarantee that you will always be added to the list automatically.

Your name will be placed on all titles by an author whether you decide to read the material or not. (Example: If you choose James Patterson as your favorite author your reserves will go on the Alex Cross series, the Women's Murder Club series and any miscellaneous material, except non-fiction, that he may write.) Just let us know when you are not interested and we will pass the material on the next person.

***Favorite Author Club is not available to Reciprocal Borrowers.***
